Agenda of PM4 in Antwerp

VERSION: A

Organisers :

P04 U of Antwerp:

- Prof. Dominique Schryvers, +32 3 265 3247, nick.schryvers@ua.ac.be
- Wim Peeters, +32 486 036 128, wim.peeters.mosem@telenet.be

Agenda

(Meeting steering committee: ?)

Fri 25 PM: preliminary discussions with people present: R.Viola, A. Karbowski, T. Greczylo, W.Peeters

- TS with 50 low tech + 7 high tech = too much

Sat 26:AM:

- discuss situation WP4 Low Tech; connections with SC2 online (+discuss status)

Sat 26: PM1:

- presentation of online experiment by Prof. N. Schryvers (UA) (30')
- discuss situation WP3 High Tech; connections with SC2 online (+discuss status) + The 9th path!

Sat 26: PM2: discuss implementation of WP3 and WP4 in teacher seminar:

- results of teacher training on SC2 @UA in connection with MOSEM
- pedagogical approach(es)
- strategies to implement innovations (what is minds-on, how to do it in a class room?)
- how to organize evaluation of the learning process
- how to learn teachers to adopt and adapt the materials to their local situation (school, curriculum)
- what materials exactly will be needed to transfer to the teachers/ teacher trainers

Sun 27 AM: Coordination: with WP6: Support materials, WP7: Media: look at Graz online tool for media files, WP9 Valorisation

Sun 27 PM1: discuss WP5 teacher seminar: specific tasks and goals

Sun 27 PM2: discuss "merging", "coordination", "learning paths", "coherency", something like that, of all work packages (in connection to tasks, see AM)

Mon 28 AM: discuss WP5 teacher seminar: specific tasks and goals; working out specific teacher seminar materials;

Mon 28 PM: role of WP6 Support and WP7 Media in relation to WP5 Teacher seminar

Connect all teacher seminar materials in coherent packages

Optional:

Tue 29 AM: discussions on demand (within WP6 and WP7?). Already one suggestion (VE).

PM: Leaving day
